ARE YOU ELIGIBLE for VA HOSPITAL/MEDICAL CARE?

A. VA Hospitals, Clinics, Housing Program Guidelines:

- i) Those who served before September 7, 1980 - need an Honorable or General discharge and minimum active-duty period of 6 months (**in general**).
- ii) Veterans who enlisted after September 7, 1980, or entered active duty after October 16, 1981 must have served 24 continuous months in addition to having an Honorable or General discharge.
- iii) This minimum duty requirement may not apply to Veterans discharged for hardship, early out or a disability incurred or aggravated in the line of duty.

B. National Guard and Reserves must have been called up for active duty:

- i) National Guard and Reserves are eligible for health care if activated/deployed to a combat zone by Federal Executive Order.
- ii) The time will not count if mobilized by State Order (i.e.: support of a disaster area).
- iii) **Proof of Service/DD214:** If you are unsure of the length of time in service or character of your discharge, send for a copy of your military service discharge papers – Department of Defense Form 214. This form and instructions in the back of this Guidebook

A NOTE FROM YOUR VA REENTRY SPECIALISTS SERVING VETERANS IN FLORIDA and GEORGIA PRISONS

Health Care for Reentry Veteran (HCRV) Program Specialists see Veterans in prison throughout Florida and South Georgia in their last year of incarceration. We provide information to assist community reentry and educate Veterans about the Department of Veterans Affairs.

We work for the Veterans Health Administration (VHA) and we will help determine your eligibility for ongoing medical care in VA's nationwide system of hospitals and clinics. We also share very general knowledge on the Veterans Benefit Administration (VBA) system which controls pension or compensation (NSC/SC) income restart and applications, VA loans, GI Bill, etc.

We hope to enroll you in the VA Hospital/Clinic in your home community to make transition to VA Primary Care smoother if releasing with medical, housing, mental health, or medication needs. If you are in a FDC Work Release Center, call or visit the local VA Hospital/Clinic or Health Care for Homeless Veterans (HCHV) Program while you are there.

There are separate programs for Veterans involved with the Justice System; ours addresses prison reentry. Our names are listed on the front cover.

All the VA Hospitals in Florida also have a Veterans Justice Outreach (VJO) Program serving Veterans before conviction - at the county level (page 4).

How to access HCHV Program Housing:

- 1. Before you release – work with classification to arrange emergency shelter with kin or a homeless shelter.*
- 2. When your release - ASAP go to the HCHV Program Outreach or Walk-in Clinic associated with your area (listed page 10 - 19).*
- 3. Keep going to the HCHV Outreach/Walk-in Clinic and check in with them - so they will begin to know you and help you find the right program to suit your needs. Each VA has different housing programs available – it may take you a couple of visits to understand what they have.*
- 4. Yes, there is a wait-list. But it moves quickly (2 weeks to a month) and programs need you to be seen by Primary Care before you get in. Get this done – it moves you up on the wait-list.*

HEALTH CARE FOR REENTRY VETERAN PROGRAM

The Health Care for Reentry Veterans Program is designed to address the community reentry needs of Veterans in state or federal prison. HCRV's goals are to prevent homelessness, reduce the impact of medical, psychiatric, and substance abuse problems upon community re-adjustment, and decrease the likelihood of re-incarceration for those leaving prison. Prison Reentry Outreach Staff are listed on the front cover of this Guidebook.

VETERANS JUSTICE OUTREACH (VJO) PROGRAM

The purpose of the Veteran Justice Outreach initiative is to help Veterans avoid criminalization of mental illness and avoid extended incarceration. VJO Specialists see Veterans in county court and jail systems. The VJO Specialists help qualified Veterans involved with the justice system have timely access to VHA mental health and substance abuse services as well as other VA services and benefits as appropriate, and often work with local mental health, drug, and Veterans Courts.

VA MEDICAL CARE and HOUSING PROGRAMS

Each VA Medical Center offers slightly different services— please check on programs offered before making decisions.

Primary Care, Mental Health Care, and Substance Abuse Treatment- Primary care clinics and physician are the access point for any specialty visits – such as orthopedic care, dermatology, mental health and substance abuse treatment. There are both residential and outpatient services available for Veterans in need of substance abuse treatment and mental health Care.

Returning Combat Veterans- Operation Enduring Freedom, Operation Iraqi Freedom, Afghanistan, and ALL combat veterans have a variety of programs designed to help you and your family. **Vet Centers:** if you have served in any combat zone, local Vet Centers can help you and your family with readjustment counseling and outreach services — for free.

PTSD Treatment- There are both residential and outpatient services available for veterans with Post Traumatic Stress Disorder (PTSD). The residential PTSD services offer an intensive therapeutic experience in a structured environment. Some of our facilities offer treatment for noncombat related PTSD and specialized programming for women vets with PTSD.

Veterans Industries (VI) and Compensated Work Therapy (CWT) Programs- VI offers structured work opportunities and supervised therapeutic housing for at-risk and homeless veterans with physical, mental health, and addictions problems. Veterans are paid for their work and receive ongoing supportive case management which helps them maintain successful employment. Vocational Rehabilitation and Employment: These programs provide assistance with resumes, job leads in the community, vocational training and help dealing with other barriers that may make it hard for Veterans to get a job.

Health Care for Homeless Veterans Programs- Every VA Medical Center has a Health Care for Homeless Veterans (HCHV) Program which helps connect homeless veterans with health care and services at the VA and agencies in their local community. The HCHV program has outreach workers who meet with veterans either at various locations in the community, or offers homeless walk-in clinics (listed within this Guide). Eligible Veterans can get help with SSI/SSDI benefits, or VA benefits and entry into housing.

Transitional Housing (Grant and Per Diem – funded by VA) - The VA partners with community agencies to provide transitional housing to homeless veterans. Veterans pay 30% of their income and can reside in this housing for up to two years based on need and program participation. Admission criteria for these programs vary based on each program's focus.

Domiciliary- These are short-term residential programs that provide Veterans with a host of rehabilitation services. Workshops focus on skill building, and individual and group counseling are offered. There is an emphasis on relapse prevention and veterans are encouraged to develop skills they can use to lead productive, independent lives.

VA Supported Housing (HUD VASH)- The HUD VASH program is a partnership between Housing and Urban Development (HUD) and VA. This program is for health care eligible Veteran who are chronically homeless. Most past charges are not a problem, although we are unable to house those who must register as a result of sexual charges. HUD assists with housing costs, and Veterans participate in regular case management to maintain eligibility for VASH and the HUD voucher.

Veteran pays approximately 30% of his/her income towards rent, and HUD pays the remainder. Veteran is responsible for security and utility deposits, and also pays regularly occurring household expenses. Able to live anywhere a landlord accepts the HUD Voucher; he/she signs a lease and is responsible for the obligations of the legal document.

HCHV Walk-in Clinic – Clara White Mission

VA COMMUNITY RESOURCE & REFERRAL CENTER (CRRC)

The primary goal of the CRRC is to provide rapid and comprehensive housing related services to Veterans who are experiencing homelessness, especially the chronically homeless, and to assist at-risk Veterans in maintaining their current housing. CRRCs are committed to increasing access to homeless services by creating a welcoming environment for interconnected service delivery.

Community Resource and Referral Centers (CRRC) are places where Veterans who are homeless or at risk of homelessness can get connected to stable housing and supportive services. This “one-stop” homeless service model is being tested in densely populated areas, strategically located sites across the country. CRRCs are collaborative, multi-agency, multidisciplinary programs that provide access to housing, health care, job development programs, and other VA and non-VA benefits.

**VA FUNDED GRANT PER DIEM PROGRAM/NOT FOR PROFIT –
FOR END OF SENTENCE RELEASE ONLY. Available to Veterans with ANY
Discharge other than DISHONORABLE (OTH, BCD, Under Other, etc.).**

Veterans can stay varying amounts of time from 6 months to the two year maximum. They can often house Veterans with any type of discharge but not those with sex charges. It is a structured program, the first 90 days is an intensive Residential Treatment Program and there are no passes during that time (except for emergencies) but they do transport to the medical center, services, meetings, etc. Good for those on probation, CRD, or that know they could use some front-end structure for long-term success. TTH is in a nice neighborhood. They have committed staff and funding to help Veterans find jobs, access vocational training, accomplish employment readiness tasks, work on daily life skills, etc. Participants can get jobs, do community and volunteer work, recreation therapy, and go to 12 step support groups. Additionally, there's a big back yard that has a big pole barn for shade/smoking. Veterans are housed in 4 man rooms with their own lockers for storage, pay 30% of income, and kick in their food stamps. However, when you have no income, you do not pay. House chores, cleaning, and food prep, are shared and rotated between those participating in the program.

How Will Your Imprisonment Affect the Payment of:

You are considered to have been released from incarceration if you are on probation, parole, or participating in a work release or half-way house program.

VBA Disability Compensation (SC Pension)? Your monthly payment will be reduced beginning with the 61st day of your imprisonment for a felony. If your payment before you went to prison was greater than the 10% rate, your new payment amount will be at the 10% rate. If you were getting the 10% rate before you were imprisoned, your new payment will be 5% rate. SC benefits are not reduced if imprisoned for a misdemeanor. If you do not notify **(VBA)** of incarceration, you will owe a back payment upon release.

VBA Disability Pension (NSC Pension)? If you are imprisoned in a Federal, state, or local penal institution as the result of conviction of a felony or misdemeanor, such pension payment will be discontinued effective on the 61st day of imprisonment following conviction. If you do not notify **(VBA)** of incarceration, you will owe a back payment upon release.

Can Your Dependent(s) Receive Any of the Money Not Paid While You Are Imprisoned? Yes. VBA can take all or part of the benefits you are not receiving and apportion it to your spouse, child or children, and dependent parents on the basis of individual need. Contact **VBA** Regional office below.

Are You Eligible for VA Medical Care While Incarcerated?

No. Current regulations restrict Veterans Health Administration(VHA) from providing hospital and outpatient care to a veteran who is an inmate in an institution of another government agency when that agency has a duty to give the care. Eligibility starts again at EOS or when moved to a DC Work Release Center.

Are You Eligible for VHA Medical Care While on Work Release?

Yes. Since March 2011 –Hospitals and Clinics will provide health care to eligible Veterans who are in Work Release Centers, half-ways houses, or any form of community based release housing.

When Will Benefits Be Resumed?

Your award for compensation or pension income begins on date you are released if VARO receives notice within 1 year following that date. Call VARO or see a Veterans Service Officer listed in the back of this Guide or at your local VAMC/Clinic as soon as you get out. It usually takes around 2 months to restart income.

SOCIAL SECURITY, SSDI, AND MEDICARE INFORMATION:

If I am arrested on a criminal charge, parole/probation violation, will I still get my monthly Social Security payments?

- No, Social Security and Supplemental Security Income (SSI) discontinues during time in jail, prison, or certain other public institutions.

Supplemental Security Income (SSI) payments

SSI payments stop 30 days after conviction. Example: if you were convicted in March for up to one year - you will not get an April payment. When incarcerated *less than a year*, payments can be **reinstated** in the month you are released - though it may take longer for payment to begin. However, if your confinement lasts for **12 consecutive months or longer**, your eligibility ends and you must file a **new application** for benefits.

Social Security Retirement or Disability benefits

If you get Social Security retirement or disability (**SSD**), your benefits will stop after you are incarcerated for 30 days; benefits to your dependent spouse or children will continue as long as they remain eligible. To restart your payments, visit local Social Security office with proof of release.

If your institution has a prerelease agreement with the local Social Security office; you may be able to inform someone at your facility that you want to start your Social Security or SSI benefits. It will notify the Social Security office you are likely to meet the requirements for SSI or Social Security benefits. The Social Security office will obtain an application from you in the last months before your release.

If you are filing for benefits based on disability, Social Security will gather medical evidence from your doctors to decide whether you are disabled under their rules. Benefits are reinstated with the month you are released, although it may take longer for payment to begin.

If there is no prerelease agreement, contact Social Security to apply for benefits if you think you may be eligible. You may call with your release officer at 1-800-772-1213 and tell the representative that you are scheduled to be released from a correctional facility and want to ask about receiving benefits.

Question: What happens if I have a financial emergency and cannot pay my bills?

If we are unable to do so and you are facing a financial emergency, we can issue a payment immediately if we determine that:

- You are eligible for either Social Security or SSI benefits
- You are already due a payment; and
- Your situation qualifies as a financial emergency under our rules.

Social Security: "Special Extra Earnings" Credit For Veterans

Since 1957, if you had military service earnings for active duty (including active duty for training), you paid Social Security taxes on those earnings. However, under certain circumstances, **special extra earnings** for your military service from 1957 through 2001 can be credited to your record for Social Security purposes.

These **extra earnings credits** may help you qualify for Social Security or increase the amount of your Social Security benefit. **Special extra earnings credits** are granted for periods of active duty or active duty for training.

For more information on Social Security benefits:

- Call toll free 1-800-772-1213.
- Hearing and speech impaired use TTY number: 1-800-325-0778.
- Hours for questions are 7:00am to 7:00pm on Monday through Friday.

MEDICARE AND VETERANS MEDICAL CARE

Question: I have Medicare and Veteran's benefits. Who pays first?

Answer: If you have or can get both Medicare and Veterans benefits, you can get treatment under either program. When you get health care, you must choose which benefits you are going to use. You must make this choice each time you see a doctor or get health care, like in a hospital. Medicare cannot pay for the same service that was covered by Veterans benefits, and your Veterans benefits cannot pay for the same service that was covered by Medicare.

You do not have to go to a Department of Veterans Affairs (VA) hospital or to a doctor who works with the VA for Medicare to pay for the service. However, to get services paid by VA, you must go to a VA facility or have the VA authorize services in a non-VA facility.

Question: Are there any situations when both Medicare and VA can pay?

Answer: Yes. If the VA authorizes services in a non-VA hospital, but doesn't pay for all of the services you get during your hospital stay, then Medicare may pay for the Medicare-covered part of the services that the VA does not pay for.

Question: Can Medicare help pay my VA co-payment?

Answer: Sometimes. The VA charges a co-payment to some veterans. The co-payment is your share of the cost of your treatment, and is based on income. Medicare may be able to pay all or part of your co-payment if you are billed for VA-authorized care by a doctor or hospital that is not part of the VA.

Question: I have a VA fee basis ID card. Who pays first?

Answer: The VA gives fee basis ID cards to certain veterans.

You may be given a fee basis card if:

- You have a service connected disability;
- You will need medical services for an extended period of time; or
- There are no VA hospitals in your area.

If you have a fee basis ID card, you may choose any doctor that is listed on your card to treat you for the condition. If the doctor accepts you as a patient and bills the VA for services, the doctor must accept the VA's payment as payment in full. If your doctor doesn't accept the fee basis ID card, you will need to file a claim with the VA yourself.

Where can I get more information?

FEDERAL BONDING PROGRAM - Workforce Innovation/Employ Florida

Who must request issuance of the Fidelity Bond?

Either the job applicant or the employer can request issuance of the bond for job placement.

How does the Bond help someone get a job?

The bond is given free-of-charge, and serves as an incentive to the company to hire a job applicant who is an ex-offender or has some other "risk" factor in their personal background. The employer is then able to get the worker's skills without taking any risk of worker dishonesty on the job.

In addition, employers may receive up to a \$2400 - \$9000 tax credit for hiring an individual who has been convicted of a felony and/or released from incarceration or another WOTC targeted program.

What exactly does the Bond Insurance cover?

It insures the employer for any type of stealing by theft, forgery, larceny, or embezzlement. It does not cover liability due to poor workmanship, job injuries, or work accidents. It is not a bail bond or court bond for the legal system. It is not a contract bond, performance bond, or license bond sometimes needed to be self-employed.

What restrictions exist in the Program's Bond coverage?

The worker must meet the State's legal age for working; there are no age limits. The job may be full time, part time, or seasonal. Workers must be paid wages with Federal taxes automatically deducted from pay; self-employed persons cannot be covered.

Who does the program help?

- ex-offender with a record of arrest
- conviction or imprisonment;
- anyone who has ever been on parole or probation,
- ex-addict who has been rehabilitated through treatment for alcohol and drug abuse
- poor credit record or have declared bankruptcy
- persons lacking a work history who come from families with low income
- dishonorably discharged from the military

VETERANS JOB BANK – STARTED IN OCTOBER/NOVEMBER 2011

The Veterans Job Bank provides Veterans with a central source for identifying Veteran-committed employment opportunities and assists America's employers in identifying qualified Veterans. A part of the commitment to improve access to employment opportunities for Service Members and Veterans, it facilitates access to hundreds of thousands of private-sector job openings specifically targeted at Veterans.

It returns job opportunities based on search criteria entered by the user – the jobs are drawn from various job boards that have posted or specifically tagged jobs for Veterans.

THE WORK OPPORTUNITY TAX CREDIT (WOTC)

Can save employers as much as \$2,400 in taxes when they hire a worker who historically has had a hard time landing a job. All an employer has to do is hire a qualified worker, fill out the Pre-Screening Notice (8850) and Individual Characteristics Form (9061) and drop them in the mail within 21 calendar days from the start date of employment.

An ex-felon who has a hiring date which is not more than one year after the last date on which he or she was convicted or released from prison, and is a member of an economically disadvantaged family is qualified for WOTC.

Employers can call the WOTC Unit at 1-800-669-9271, or contact their local WorkSource/One-Stop Career Center. You can register with Next Step to receive job assistance from the Coalition of Felon Friendly Employers <https://thenextstep99.com/index.php>.

INSTRUCTION AND INFORMATION SHEET FOR SF 180, REQUEST PERTAINING TO MILITARY RECORDS

1. General Information. The Standard Form 180, Request Pertaining to Military Records (SF180) is used to request information from military records. Certain identifying information is necessary to determine the location of an individual's record of military service. Please try to answer each item on the SF 180. If you do not have and cannot obtain the information for an item, show "NA," meaning the information is "not available." Include as much of the requested information as you can. Incomplete information may delay response time. To determine where to mail this request see Page 2 of the SF180 for record locations and facility addresses.

Online requests may be submitted to the National Personnel Records Center (NPRC) by a veteran or deceased veteran's next of kin using eVetRecs at <http://www.archives.gov/veterans/military-service-records/>.

2. Personnel Records/Military Human Resource Records/Official Military Personnel File (OMPF) and Medical Records/Service Treatment Records (STR). Personnel records of military members who were discharged, retired, or died in service **less than 62 years** ago and medical records are in the legal custody of the military service department and are administered in accordance with rules issued by the Department of Defense and the Department of Homeland Security (DHS, Coast Guard). STR's of persons on active duty are generally kept at the local servicing clinic, and usually are available from the Department of Veterans Affairs approximately 40 days after the last day of active duty. (See item 3, Archival Records, if the military member was discharged, retired or died in service over 62 years ago.)

a. Release of information: Release of information is subject to restrictions imposed by the military services consistent with Department of Defense regulations and the provisions of the Freedom of Information Act (FOIA) and the Privacy Act of 1974. The service member (either past or present) or the member's legal guardian has access to almost any information contained in that member's own record. An authorization signature, of the service member or the member's legal guardian, is needed in Section III of the SF180. Others requesting information from military personnel records and/or STR's must have the release authorization in Section III of the SF 180 signed by the member or legal guardian. If the appropriate signature cannot be obtained, only limited types of information can be provided. If the former member is deceased, surviving next of kin may, under certain circumstances, be entitled to greater access to a deceased veteran's records than a member of the general public. The next of kin may be any of the following: unmarried surviving spouse, father, mother, son, daughter, sister, or brother. Requesters **must provide proof of death, such as a copy of a death certificate, newspaper article (obituary) or death notice, coroner's report of death; funeral director's signed statement of death, or verdict of coroner's jury.**

b. Fees for records: There is no charge for most services provided to service members or next of kin of deceased veterans. A nominal fee is charged for certain types of service. In most instances service fees cannot be determined in advance. If your request involves a service fee, you will be notified.

3. Archival Records. Personnel records of military members who were discharged, retired, or died in service **62 or more years** ago have been transferred to the legal custody of NARA and are referred to as "archival" records.

a. Release of Information: Archival records are open to the public. The Privacy Act of 1974 does not apply to archival records, therefore, written authorization from the veteran or next of kin is not required. However, in order to protect the privacy of the veteran, his/her family, and third parties named in the records, the personal privacy exemption of the Freedom of Information Act (5 U.S.C. 552 (b) (6)) may still apply and preclude the release of some information.

b. Fees for Archival Records: Access to archival records is granted by offering copies of the records for a fee (44 U.S.C. 2116 (c)). You will be notified if there is a charge for photocopies of documents contained in the record you are requesting. For more information see <http://www.archives.gov/st-louis/archival-programs/military-personnel-archival/ompf-archival-requests.html>.

4. Where reply may be sent. The reply may be sent to the service member or any other address designated by the service member or other authorized requester.

5. Definitions and abbreviations. DISCHARGED -- the individual has no current military status; SERVICE TREATMENT RECORD (STR) -- The chronology of medical, mental health and dental care received by service members during the course of their military career (does not include records of treatment while hospitalized); TDRL -- Temporary Disability Retired List.

6. Service completed before World War I. National Archives Trust Fund (NATF) forms must be used to request these records. Obtain the forms by e-mail from inquire@nara.gov or write to the Code 6 address on page 2 of the SF 180.

PRIVACY ACT OF 1974 COMPLIANCE INFORMATION

The following information is provided in accordance with 5 U.S.C. 552a(e)(3) and applies to this form. Authority for collection of the information is 44 U.S.C. 2907, 3101, and 3103, and Public Law 104-134 (April 26, 1996), as amended in title 31, section 7701. Disclosure of the information is voluntary. If the requested information is not provided, it may delay servicing your inquiry because the facility servicing the service member's record may not have all of the information needed to locate it. The purpose of the information on this form is to assist the facility servicing the records (see the address list) in locating the correct military service record(s) or information to answer your inquiry. This form is then retained as a record of disclosure. The form may also be disclosed to Department of Defense components, the Department of Veterans Affairs, the Department of Homeland Security (DHS, U.S. Coast Guard), or the National Archives and Records Administration when the original custodian of the military health and personnel records transfers all or part of those records to that agency. If the service member was a member of the National Guard, the form may also be disclosed to the Adjutant General of the appropriate state, District of Columbia, or Puerto Rico, where he or she served.

PAPERWORK REDUCTION ACT PUBLIC BURDEN STATEMENT

Public burden reporting for this collection of information is estimated to be five minutes per request, including time for reviewing instructions and completing and reviewing the collection of information. Send comments regarding the burden estimate or any other aspect of the collection of information, including suggestions for reducing this burden, to National Archives and Records Administration (NHP), 8601 Adelphi Road, College Park, MD 20740-6001. **DO NOT SEND COMPLETED FORMS TO THIS ADDRESS. BASICS OF MILITARY DISCHARGE UPGRADE

This was written by Tom Turcotte, an attorney in San Francisco, who is part-time staff attorney for the non-traditional veterans' organization Swords to Plowshares. His private practice includes discharge review and Board for Correction of Military Records work.

Advocates of active-duty military members will deal with people in situations that inevitably result in the receipt of less than fully honorable discharges. There is, and always has been, a great deal of misinformation regarding the process and standards in the military's system for reviewing discharges.

A less than fully Honorable Discharge imposes significant limitations on veterans' VA benefits entitlement and employment opportunities.

This article is intended only to provide a very basic overview of the discharge review system and provide some practice pointers for advocates. Nothing is intended to impart specific advice to any individual's situation nor is anything discussed regarding federal court review of Less-Than-Honorable Discharges or correction of military records.

I. The Discharge Review and Correction Boards

There are two separate Boards for each service branch that reviews discharges -- The Discharge Review Board and the Board for Correction of Military/Naval Records.

The Discharge Review Boards: have jurisdiction over discharges issued within fifteen years of the date of application.

Review Boards consist of five officers, of the rank 0-4 or higher. The Review Boards cannot review a Bad Conduct or Dishonorable Discharge issued as part of the sentence of a General Court-Martial, but they can review all others including Bad Conduct Discharges issued as part of the sentence of a Special-Court Martial. The Review Boards are empowered only to "upgrade" the type of discharge and change the reason for discharge. They cannot change a re-enlistment code or otherwise modify the contents of a vet's military records.

Non-Appearance Hearing/Personal Appearance

An applicant can first apply for a non-appearance type of hearing and, if that is not successful, then ask for a personal appearance type of hearing. Statistically, personal appearance type hearings stand a much better of success. Applicants can elect either a personal appearance type of hearing before the Review Boards or a non- personal appearance review that is limited to consideration of available medical and administrative records as well as any materials submitted by the vet.

I often advise clients to try the non-appearance mode first, then, if that's not successful, ask for a personal appearance. This gives the vet "two bites at the apple." A personal appearance type of hearing must be made within fifteen years from discharge so that deadline has to be considered first and foremost.

The Army and Air Force Review Boards travel regionally to certain locations in the continental states. (Los Angeles and San Francisco are two cities they go to in California.) Often, the Boards will send one officer who is designated as a "Hearing Examiner." This officer will conduct a videotape of the hearing that will be played back to a full panel of the Board in the Washington, D.C., area for final decision. Sadly, and perhaps illegally, the Navy Discharge Review Board does not travel regionally. Navy and Marine vets can only elect a personal appearance type hearing in Washington, D.C.

In the "personal appearance" type of hearing, a Review Board allows an applicant to be represented by lawyer or non- lawyer counsel. An opening by counsel is generally made, as is direct questions of the applicant by counsel, then followed by questions from the Board members and a closing statement by counsel. Witnesses can also testify at hearings.

Application to the Review Boards is made on DD Form 293. The form asks the veteran to list specific issues in support of an upgrade that the Board will consider and resolve.

The Boards for Correction of Military/Naval Records; have almost complete power to change, delete, modify or add to the contents of military records.

They are not required to grant personal appearance hearings though they can but very rarely do. They sit only in Washington D.C. and consist of high ranking civilian employees of each branch.

Unlike the Review Boards, (which operate under a fifteen year limit from the date of discharge that cannot be waived), the Correction Boards operate under a three year limit for application that starts upon the date of "discovery of alleged error or injustice." This date is generally by the Correction Boards to start as of the date of discharge or, in the case of a denied upgrade from a Discharge Review Board, the date of the Review denial decision. Application to a BCMR requires completion of DD form 149. The BCMR's can do anything to a vet's records except overturn a court-martial conviction.

However, the Correction Boards can, and often do waive the three year limit if they determine that it "is in the interest of justice" to do so. They cannot determine whether to waive the three year limit without making a

cursory review of the merits of a petition.

Ignorance of the Law Is No Excuse

Vets often argue that they were never advised of the existence of the Boards, let alone their time limits. This argument cannot hurt but I have never really seen it work either because “ignorance of the law is no excuse” or because since 1975, vets being separated Less-Than-Honorably are required to be given a fact sheet regarding the Review and Correction Boards' powers and application time limits.

It is best to simply argue that the merits of the case warrant waiver of the three-year limit. The application form (DD 149) actually requires explanation as to why the Board should find it in the interests of justice to waive the three year limit if the application is made past three years from the date of discovery of error or injustice.

If medical or legal issues are involved in a Correction Board application, the Air Force will ask for advisories from the SJA or Flight Surgeon. Other branches rarely do this but one can always ask for an advisory provided a request to review and rebut the advisory before a hearing is also made.

Court-Martial

Though the Correction Boards cannot overturn a Court-Martial conviction as a matter of law, they can, and sometimes do order that the records be corrected to show that the Convening Authority approved only part of a sentence but not a punitive discharge.

Correction Board decisions are binding on all federal agencies including the Department of Veterans Affairs. This is crucial in General Court-Martial cases because a discharge as part of the sentence of a General Court-Martial is an absolute statutory bar to VA benefits.

If a Correction Board orders a change in the Convening Authority's review and changes the reason for discharge from sentence of a GCM to action by the Correction Board -- the discharge no longer is the result of a General Court-Martial which eliminates the bar to VA benefits. (VA benefits are discussed in a little more detail below.)

II: Some Myths about “Bad Paper”

It is absolutely not true that a Less-Than-Honorable Discharge automatically gets upgraded six months after discharge.

This myth has been around since World War II and is still being perpetuated by people marginally involved in the discharge process such as personnel specialists and NCO's. Typically, a vet will explain that: “They told me so long as I kept my nose clean the discharge would go to Honorable in six months.” Advocates should make it clear that this just not true!

My theory after nearly thirty years of doing this work is that the “six month myth” is grounded partly in the fact that military regs used to require that administrative records not be forwarded to the Records Center in St. Louis until six months after separation. I suspect that this is where the six-month aspect of the myth comes from.

I think the real reason this myth is still being perpetuated is that it deceives young people who are already under great stress believing that they need not use any rights they may have in the discharge process because, “after all- it's gonna' get upgraded anyway”.

The FAQ part of the Army Review Boards' website actually includes debunking of the “six month myth.” That is how common this mean little bit of misinformation is.

Another myth is that regardless of the reason for discharge or what is in one's disciplinary record, a discharge upgrade will obtain long as an excellent post-discharge history can be documented.

Post service history, no matter how laudatory and well documented is simply not a ground for upgrade. I believe that documenting post- service is a good idea because the Board members may use that evidence to sway them to the applicant's advantage. Also, post-service history can be used to demonstrate that the grounds for discharge were not valid in retrospect in, for example, drug or alcohol cases where the vet can demonstrate recovery that was not offered in service.

A final myth is that only an upgrade of discharge can entitle a vet to VA benefits.

Vets with “bad paper” need to know that the discharge does not preclude basic VA entitlement; eligibility for specific VA benefits can involve other factors such as total time served and “era” of service. VA Regional Office can conduct a review of “the facts and circumstances” and grant basic eligibility for veterans discharged with a Less-Than-Honorable Discharge (not Bad Conduct or Dishonorable Discharge as result of General Court-Martial). However, administratively issued Other-Than-Honorable and Bad Conduct Discharges issued as part of the sentence of a Special Court-Martial can be subjected to a VA “Character of Service” determination. VA regulations/considerations applied to a character of service determination are surprisingly straightforward and fair 38 C.F.R. Sec. 3.12.

It is almost always helpful to have representation in discharge upgrade cases. An attorney or counselor can help to evaluate the case, develop equity and propriety arguments, assist in gathering and evaluating evidence, write a legal brief discussing the case and issues, and represent vets during hearings.

If this level of representation isn't possible, it is helpful for vets to read over the regs governing the Boards and literature from civilian sources. It is also very helpful to have an attorney or counselor look over the regs, records and evidence, and help vets develop arguments.

Vets should bear in mind that anything they say or submit to the Board can be considered, and will become a part of their permanent military record, so that it would be available to the Boards in any future application. A poorly prepared application can sometimes work against vets in further "appeals" or new applications.

INSTRUCTIONS FOR COMPLETION OF DD FORM 293

REQUESTING COPIES OF YOUR OFFICIAL MILITARY PERSONNEL FILE

Information on how to obtain military or health records is available at the National Personnel Records Center website at www.nara.gov/regional/mpr.html or at your local Veterans Administration office.

Applicants are strongly encouraged to submit any request for their military records prior to applying for a discharge review rather than after submitting a DD Form 293 in order to avoid substantial delays in processing of the application and scheduling of review. Applicants and their counsel may also examine their military personnel records at the site of their scheduled review prior to the review. The Board shall notify applicants of the date of availability of the records for examination in their standard scheduling information.

Submission of a request for an applicant's military records (including a request pursuant to the Freedom of Information Act or Privacy Act) after the DD Form 293 has been submitted will automatically result in the suspension of processing of the application for discharge review until the requested records are sent to an appropriate location for copying, are copied, and are returned to the possession of the headquarters of the Discharge Review Board. Processing of the application shall then be resumed at whatever stage of the discharge review process is practicable.

DD FORM 293 - PLEASE PRINT OR TYPE INFORMATION.

(Items on the form are self-explanatory unless otherwise noted below.)

ITEM 1b. Use the name which you served under while in the Armed Forces. If your name has since changed, then also include your current name after adding the abbreviation "AKA". If the former member is deceased or incompetent, see Item 11.

ITEM 1e. Indicate the address to be used for all future correspondence regarding this application. If you change this address while this application is pending, you must notify the Discharge Review Board immediately. Failure to attend a hearing as a result of an unreported change in address may result in a waiver of your right to a hearing.

ITEM 2. If you received more than one discharge, the information in this item should refer to the discharge that you want changed. Discharge Review Boards cannot consider any type of discharge resulting from a sentence given by a general court-martial.

ITEM 3. If the discharge you want reviewed was issued over 15 years ago, instead of applying on a DD Form 293, you must petition the appropriate Board for Correction of Military Record using DD Form 149, Application for Correction of Military Record Under the Provisions of Title 10, U.S. Code, Section 1552.

ITEM 5. If you request a change of narrative reason for separation, you must list the specific reason for discharge that you believe to be appropriate, otherwise the Board will presume that you do not want a change in reason for discharge. If you do not request a change of discharge characterization in this item, the Board will presume you want to change discharge to Honorable.

If you were separated on or after 1 October 1982 while in an entry level status with an under other than honorable conditions discharge and less than 180 days of active service, you can request a change of discharge characterization to "Uncharacterized" and discharge reason to "Entry Level Separation".

ITEM 6. "Issues" are the reasons why you think your discharge should be changed. You are not required to submit any issues with your application. However, if you want the Board to respond in writing to the issues of concern, you must list your specific issues in accordance with those instructions and regulations governing the Board. Issues must be stated clearly and specifically. Your issues should address the reasons why you believe that the discharge received was improper or inequitable. It is important to focus on matters that occurred while you served in the Armed Forces.

The following examples demonstrate one way in which issues may be stated (the example issues do not indicate, in any way, the only type of issues that should be submitted to the Board):

Example 1. My discharge was inequitable because it was based on one isolated incident in 28 months of service with no other adverse action.

Example 2. The discharge is improper because the applicant's pre-service civilian conviction, properly listed on his enlistment documents, was used in the discharge proceedings.

In Item 6 list each of your issues that you want the Board to address. There is no limit to the number of issues that you may submit. If you need additional space, continue in Item 14 or on a plain sheet of paper and attach it to this application.

NOTE: If an issue is not listed in Item 6, it may result in the Board not addressing the issue even if the issue is discussed in a legal brief or other written submissions or at the hearing. Changes or additions to the list may be made on the DD Form 293 anytime before the Discharge Review Board closes the review process for deliberation. Please be sure that your issues are consistent with the Board Action Requested (Item 5). If there is a conflict between what you say in your issues and what you requested in Item 5, the Board will respond to your issue in the context of the action requested in Item 5. For example, if you request a General Discharge in Item 5 but your issue in Item 6 indicated you want an Honorable Discharge, the Board will respond to the issue in terms of your request for a General Discharge. Therefore, if you are submitting issues for the purpose of obtaining an Honorable Discharge, be sure to mark the box for an Honorable Discharge in Item 5.

INSTRUCTIONS FOR COMPLETION OF DD FORM 293 (Continued)

Incorporation by Reference. Issues that are listed on a legal brief or other written submissions may be incorporated by reference in Item 6. The reference must be specific enough for the Board to clearly identify the matter being submitted as an issue. At a minimum, it shall identify the page, paragraph, and sentence incorporated.

Example: Issue 1. Brief, page 2, paragraph 1, sentences one and two.

Applicants should be as specific as possible with all references so the Board can clearly distinguish the scope of the issue. Because it is to your benefit to bring such issues to the Board's attention as early as possible in the review, if you submit a brief, you are strongly urged to set forth all such issues as a separate item at the beginning of the brief.

ITEM 8. Evidence not in your official records should be submitted to the Board before the review date. It is to your advantage to submit such documentation with this application. This also applies to legal briefs or counsel submissions. However, you have the right to submit evidence until the time the Discharge Review Board closes the review process for deliberation. Documents that are of the most benefit are those which substantiate or relate directly to your issues in Item 6. Other documents that may be helpful are character references, criminal, credit and employment reports, educational achievements, exemplary post-service conduct, and medical reports. You should add your name and Social Security Number to each document submitted. The Board will consider all documents submitted in your behalf, but will respond in writing only to those issues set forth in Item 6.

ITEM 9. TYPE OF REVIEW REQUESTED

A Discharge Review is conducted in two basic ways:
(1) Records Review or (2) Hearing.

1. **Records Review.** You may have the Board conduct a discharge review based solely on military records and any additional documentation that you provide. This review is conducted without personal appearance by you and/or your counsel appearing. A personal appearance hearing can be requested, however, you forfeit your right to a record review.

2. **Hearing.** You may appear personally (alone or assisted by a representative/counsel) before the Board in the Washington, D.C. Metro Area or before a Traveling Panel of the Board in selected locations throughout the U.S., if appropriate. The Department of Defense is not responsible for, nor will it pay for, any costs incurred by the applicant or representative/counsel for appearance or providing testimony or documentation. Detailed notification and/or scheduling information for all personal appearances will be provided after the application has been processed. In addition, without appearing yourself, you may have your case presented by a representative/counsel of your choice.

Applicants participating in a personal appearance or hearing examination may make sworn or unsworn statements, introduce witnesses, documents, or other information on their behalf. Applicants may make oral or written arguments personally and/or through representative/ counsel. Applicants and witnesses who present sworn or unsworn statements may be questioned by the Board.

FAILURE TO APPEAR AT A HEARING OR RESPOND TO A SCHEDULING NOTICE. If you do not appear at a scheduled hearing or respond as required to a scheduling notice, and you did not make a prior, timely request for a continuance, postponement, or withdrawal of the application, you will forfeit the right to a personal appearance and the Board shall complete its review of the discharge based upon the evidence of record.

ITEM 10.a - d. Omit if you do not have a representative/counsel. If you later obtain the services of either, inform the Board immediately.

The military services do not provide counsel representation or evidence for you, nor do they pay the cost of such representation under any circumstance. The following organizations regularly furnish representation at no charge to you. Representatives may or may not be lawyers.

1. American Legion
2. Disabled American Veterans
3. Veterans of Foreign Wars
4. State or Regional Veterans Offices

In addition, there are other organizations willing to assist you in completing this application and to provide representation at no cost. It is to your advantage to coordinate with your counsel prior to submitting this application. This will insure that your counsel is able to appear at the location you listed in Item 9. Please note that some of the organizations listed above only represent applicants who appear before the Board in the Washington, D.C. Metro Area. Contact your local veterans affairs office, Veterans Administration Office or veterans service organization for further information.

ITEM 11. If the former member is deceased or incompetent, the application may be submitted by the next of kin, a surviving spouse or a legal representative. Legal proof of death or incompetency and satisfactory evidence of the relationship to the former member must accompany this application.

ITEM 12.a. and b. A signature and date entered by the applicant or person identified in Item 11 are required.

INSTRUCTIONS

1. All information should be typed or printed. Complete all applicable items. If the item is not applicable, enter "None."
2. If space is insufficient on the front of the form, use the "Remarks" box below for additional information or attach an additional sheet.
3. List all attachments and enclosures in item 9. Do not send original documents. Send clear, legible copies. Send copies of military documents and orders related to your request, if you have them available. Do not assume that they are all in your military record.
4. The applicant must exhaust all administrative remedies, such as corrective procedures and appeals provided in regulations, before applying to the Board of Corrections.
5. ITEM 5. State the specific correction of record desired. If possible, identify exactly what document or information in your record you believe to be erroneous or unjust and indicate what correction you want made to the document or information.
6. ITEM 6. In order to justify correction of a military record, it is necessary for you to show to the satisfaction of the Board by the evidence that you supply, or it must otherwise satisfactorily appear in the record, that the alleged entry or omission in the record was in error or unjust. Evidence, in addition to documents, may include affidavits or signed testimony of witnesses, executed under oath, and a brief of arguments supporting the application. All evidence not already included in your record must be submitted by you. The responsibility of securing evidence rests with you.
7. ITEM 8. U.S. Code, Title 10, Section 1552b, provides that no correction may be made unless a request is made within three years after the discovery of the error or injustice, but that the Board may excuse failure to file within three years after discovery if it finds it to be in the interest of justice.
8. ITEM 10. Personal appearance before the Board by you and your witnesses or representation by counsel is not required to ensure full and impartial consideration of your application. If the Board determines that a personal appearance is warranted and grants approval, appearance and representation are permitted before the Board at no expense to the government.
9. ITEM 11. Various veterans and service organizations furnish counsel without charge. These organizations prefer that arrangements for representation be made through local posts or chapters.
10. ITEM 12. The person whose record correction is being requested must sign the application. If that person is deceased or incompetent to sign, the application may be signed by a spouse, widow, widower, next of kin (son, daughter, mother, father, brother, or sister), or a legal representative that has been given power of attorney. Other persons may be authorized to sign for the applicant. Proof of death, incompetency, or power of attorney must accompany the application. Former spouses may apply in cases of Survivor Benefit Plan (SBP) issues.
