## Gateway Program

The goal of the Gateway Program is to reduce recidivism and provide positive outcomes for individuals involved with the criminal justice system. This is a program specifically designed to assist ex-offenders in reconnecting with their career, community, and family. It addresses professional, educational, and social goals in an innovative and structured academic environment.

Prospective students are referred to Red Rocks Community College by their probation office, parole office, GED instructor, or case manager. Students are required to attend an orientation designed to introduce them to their academic environment, assist them in applying for financial aid, and familiarize them with the expectations required of college students.

An Education Coordinator works with highly qualified instructors and tutors to provide academic advising, technical assistance, supportive services, and career planning in both classroom and individual settings.

## Gateway Courses

### The Federal Bonding Program;

The Federal Bonding Program, created in 1966 by the U.S. Department of Labor in partnership with The McLaughlin Company, is a unique tool to help secure employment for applicants who have a hard time getting a job due to their questionable backgrounds. The McLaughlin Company provides No Cost/No Deductible individual fidelity bonds with six month coverage for applicants who are (or may be) denied coverage by commercial carriers because of:

## Colorado's New E-8850 Electronic Submission System

### Highlights of the Electronic System:

- Applications can be submitted online from any location at any time via a secured connection. The online submission process eliminates the costly and cumbersome mailing criteria.
- Upon successful submission of any applications pertaining to TANF and Food Stamp categories, decisions will be available online immediately to the employer and can be printed.
- To apply for **Work Opportunity Tax Credit** through Colorado's New Electronic Submission Process, contact a Colorado WOTC representative at: **303-318-8845** or **303-318-8801** or email: [wotc@state.co.us](mailto:wotc@state.co.us)

### The Work Opportunity Tax Credit

(WOTC) reduces an employer's income tax liability. Furthermore, WOTC is one tool of various strategies designed to help job seekers most in need of employment and gain on-the-job experience and move towards economic self-sufficiency. As the Colorado employer participation in the WOTC program increased, from 2004 through 2007, the potential tax credit value surpassed \$55,000,000.

### The Tax Relief and Health Care Act of 2006 Bill, HR 6111 [P.L. 109-432].

signed by President George W. Bush December 20, 2006, initiated the following changes beginning January 1, 2007:

- Mailing criteria changed from 21 days to 28 days.
- Age range for food stamp recipients expanded from 18 thru 24 to 18 thru 39.
- Income requirement for ex-felons eliminated.
- Merging Welfare to Work Tax Credit into the WOTC program as one credit.

### The Small Business and Work Opportunity Tax Act of 2007,

**HR2206, [P.L. 110-28]**, signed by President George W. Bush May 25, 2007, includes an extension of the Work Opportunity tax Credit program effective May 26, 2007, through August 31, 2011. HR2206 created a new category for

Disabled Veterans that are entitled to compensation for a service connected disability that is rated at least 10% or higher and hired within one year of being discharged from active duty or unemployed for any 6 months of the year prior to being hired. Additionally, the Vocational Rehabilitation target group was expanded to include individuals who complete a work plan developed and implemented by an Employment Network pursuant to subsection (g) of section 1148 of the Social Security Act.

### What New Hires Can Qualify Employers For WOTC?

WOTC applies to new hires who begin work between January 1, 2006, and August 31, 2011, and that belong to one of nine WOTC target groups:

**Welfare recipients** - Any individual who has received financial benefits under the AFDC (Aid to Families with Dependent Children) or the successor program, TANF (Temporary Aid to Needy Families). The recipient must have received 6 continuous months of benefits under the Food Stamp Act of 1977 dating back from the hire date.
